WHO WE ARE ?

With a worldwide presence, D.C.A.I. is an international services company based in Paris, France. Founded in 1978 by Mister Lucien BORROT, D.C.A.I. specialises in the provision of international services.

We provide our customers with key personnel from construction to production. Our aim is to be able to intervene at any time on any continent, while respecting our ethical, contractual, tax, legal and insurance commitments. Our local and expatriate talent works alongside the biggest players in their sectors.
